Keep Coppel Beautiful volunteers pose for the camera

By [Pegasus News wire](#)

Just a little photo op here, of some of Keep Coppel Beautiful's newest volunteer participants in that city's [Adopt a Location](#) program.

Pictured left to right are Jeff Adkinson, Jordan Wagner, Jan Wagner-Adkinson, Jenna Adkinson and Jim Camp - who, judging by his surname, is related to neither the Wagners nor the Adkinsons, yet still looks pleased as punch to be here. (And who can blame him?)

Members of the Adkinson/Wagner/

Wagner-Adkinson/Camp team, representing [Right Choice Painting](#), have agreed to perform regular cleanup along Belt Line Rd. between MacArthur to Fairway. This is their "beat," you might say. In the process of keeping this stretch of road

beautiful by removing trash, they'll also periodically be contributing to the regional beauty by just being there.
